

**RESOLUTION NO. 2023-12**

**A RESOLUTION FOR THE CITY OF GOSHEN TO OFFICIALLY CHANGE THE ROAD DEPARTMENT TO THE INFRASTRUCTURE/FACILITIES MANAGEMENT DEPARTMENT**

**WHEREAS**, The City of Goshen, Arkansas currently identifies employees working for the city Road Department, while these employees also work on other City infrastructure projects as well as maintaining City facilities.

**WHEREAS**, in order to clarify these City employee job title and descriptions, it would require a more concise title in the description of the employed position within the City of Goshen; and

**WHEREAS**, the employees are responsible for working on projects throughout the infrastructure of the City of Goshen as well as in the maintenance of City facilities, a job title descriptive of the actual work being performed is a more appropriate representation of the Department.

**WHEREAS**, this governing body understands the change in job title would not change or alter the current expectations of the employees working presently for the City of Goshen Arkansas and this change would not create any additional financial impact on the overall budget of the city and this would not impact the overall compensation of the employees of the currently identified Road Department.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GOSHEN, ARKANSAS** that the mayor is hereby authorized to rename the current road department to the new designation of Infrastructure/Facilities Management Department.

**PASSED AND APPROVED** this 9<sup>th</sup> day of May, 2023.
